Strategic Intentions ...

...Our Promise

From the Executive Director

I am pleased to provide you with Rural Minnesota Concentrated Employment Program's (RMCEP) Strategic Intent, which provides our promise to you and a clear focus to the agency in our efforts over the next three years. I believe the intentions outlined in this document provide the right framework to guide growth and innovation as we serve our stakeholders through our workforce development efforts. We recognize our stakeholders as our customers, partners, funders, employees, employers and the communities within our service region.

We at RMCEP are committed to helping area individuals and businesses achieve economic success through the provision of effective workforce development services. As a result, we will enhance the economic vitality of the region where we work and live. As we continue to implement strategies that have proven effective, we will also incorporate these intentions in our work to develop new initiatives to improve our services.

With this Strategic Intention, we will strengthen our core abilities, improve our communications, become a sought-after partner and enhance our services to customers.

This Strategic Intent will provide the direction to RMCEP staff to build an organization known throughout our service region for its exemplary workforce development services.

Most Sincerely,

Daniel J Wenner

RMCEP Executive Director

Our Profile

Rural Minnesota CEP (RMCEP) is one of the largest non-profit agencies in the State of Minnesota that provides workforce development services, administering programs and funding through the Workforce Investment Act, State and Federal Dislocated Worker Programming, Adult, Youth, MFIP and special grant programs. Established in 1968, RMCEP has grown to be recognized as a leader in the workforce development industry serving Minnesota Workforce Service Area 2, providing services to over 8,000 people per year with a budget of over \$13 million. We are also a major employer of operational, financial, planning, clerical and other professional staff in rural Minnesota.

Our Region

Operating under the leadership of a broadly representative Board of Directors, the agency provides workforce development services in 19 counties in northwestern Minnesota, covering a broad area of over 20,000 square miles. RMCEP's region of responsibility extends from the North Dakota and South Dakota borders to south of Morris, Minnesota, to east of the Brainerd Lakes Area and north to the Canadian border. The cities of Alexandria, Bemidji, Brainerd, Detroit Lakes, Fergus Falls, Little Falls, Moorhead, and Wadena lie within our region.

Our Vision, Mission and Core Values

Our *Vision* is to be viewed by customers as the Leader in Workforce Development Services, and to be recognized in our service area as the first resource for these services.

Our *Mission* is to provide quality workforce services that meet our customers' needs. Our customers are individuals, employers, and those who fund our services. Our services are:

- To introduce individuals to career options and the skills necessary for successful employment.
- To help individuals find, get, and keep jobs, and grow in their careers.
- To help employers find and keep workers, and assist them in the development of their existing workforce.
- To meet the contractual expectations of those who fund our services.

We will provide these services within the Minnesota WorkForce Center System.

Our Values are:

- Customer Values—Customers are the very reason we exist. Customers will be treated with dignity and respect. We will provide services that customers value. Their satisfaction with our services will be the primary measure of our success.
- Quality Values—We will define performance standards for each service we provide and measure our effectiveness by the attainment of those standards.
- Continuous Improvement Values—We achieve our Mission by constant attention to improving services that meet the needs of our customers and the changing job market. We promote the sharing of agency information among all staff so they can make informed choices to better serve customers and meet agency objectives.
- Staff Development Values—We hire and train confident, knowledgeable and compassionate staff.
 Our staff will be provided training which emphasizes innovation and efficiency. We encourage learning through community involvement and opportunities for professional growth.
