WHY CHOOSE A CAREER IN HEALTH CARE?

According to DEED's 2016 to 2026, Employment Outlook data, the Northwest Minnesota Health Care and Social Assistance sector is projected to gain another 3,707 jobs over the next decade, a 10.3 percent increase. Because of the steady growth in healthcare and social assistance, many health care-related occupations exist at every educational level and are in high demand according to DEED's Occupations in Demand tool.
